**GAIA'S GATEWAY**

Gaia's Gateway is a monthly open ritual featuring a different Pagan tradition each month. Each Gateway begins with an informative talk, and both the talk and the ritual are led by practitioners of the religion presented. We request a \$5.00 donation from non-members. Gateways are held on the last Sunday of the month from 6 p.m. to 9 p.m. in the Fireside Room at the Palo Alto Unitarian Universalist Church (PAUUC).

As soon as you cross Middlefield Road, start looking for the church entrance on your right.

FROM THE PRESIDENT:

It gives me great pleasure and a certain amount of relief to announce that we have a new editor for the BAPAN. Rita Farkas, who has recently become an active participant in a number of BAPA projects, has bravely stepped forward to pick up the editorial baton. Rita holds a B.A. in English from San Jose State University. She currently works as a Media Specialist in San Mateo and is working on a library technology certificate at Foothill College. Just for the record, Rita also makes wonderful molded soaps, some of which she offered for sale at the recent BAPA Craft Fair.

Please submit any contributions you would like to see included in future BAPANs to Rita at: BAPAN Editor, Bay Area Pagan Assemblies, P.O. Box 4159, Mountain View, CA 94040-0159. You can also reach her by email at message2rita@earthlink.net.

If you are still looking for a way to get involved with the BAPA community, don't despair. There will be plenty of fun and interesting jobs available! [See future issues of the BAPAN!]

## THE WINTER SOLSTICE

The winter solstice is unique among days of the year – the time of the longest night and the shortest day. The dark triumphs, but only briefly. For the solstice is also a turning point. From now

on (until the summer solstice, at any rate), the nights grow shorter and the days grow longer, the dark wanes and the Sun waxes in power. From the dark womb of night, the light is born.

## RECIPES YULE LOVE!

### Wassail

The traditional, classic Yuletide hot mulled cider drink.

4 litres apple cider or juice (fresh milled organic is excellent!)

1 orange, chopped

1 lime, chopped

1 lemon, chopped

4 cinnamon sticks or 1 t. ground cinnamon

1 inch-square piece of fresh ginger or 1/4 t. ground ginger

1 t. cloves, allspice and/or star anise

(Brandy or rum for adults, optional)

Heat all and simmer in an enamel pot (aluminum can impart a metallic flavor) on low for an hour, then serve to cold, caroling folks.

3 teaspoon vanilla extract  
3 teaspoon maple syrup

### Cocoa Snowballs

3 eggs  
1 1/2 cup sugar  
1/2 cup powdered cocoa  
3/4 cup milk  
1/4 cup butter

Remove from heat and add vanilla and salt. Pour egg mixture into that. In a bowl, put remaining dry ingredients and slowly add the cocoa mixture, beating all the while....Fill 30, 2 1/2" muffin cups about 1/2 full and bake 20-25 mins at 325 degrees. Cool completely and frost bottom, top and sides. Then roll them in the coconut. Let them stand at room temperature until the frosting is firm, then serve or store in a container.

## CRAFT CUPBOARD

by Rita Farkas, Editor

### Easy & Beautiful Sun Welcoming Soap

Melt & pour glycerin soap is easy and fun to make. The resulting soaps are beautiful. Maybe I had the pleasure of meeting some of you when I sold my soaps at the BAPA Yuletide Craft Fair on December 7, 2002.

I devised this project to introduce interested crafters to soapmaking. The round shape of the soap and beautiful golden sparkle color remind me of the rebirth of the Sun that we celebrate at this time of year.

#### Ingredients & Supplies:

Note: All ingredients are available from Jo-Ann stores or <http://www.joann.com>.

3 oz. Soap Expressions Melt & Pour Clear Soap  
(it's sold in 1-lb. blocks)  
1 No-Tip 3-D Soap Mold, Egg & Sphere  
1 tsp. Delta Soap Creations Gold Glitter Sparkling Accents  
10-15 drops Fields Landing Soap Factory Designer Fragrance Oil, Citrus Fantasy scent or your choice  
Baby Oil  
Double boiler (or a small pot or large glass measuring cup resting on a jar lid in a larger pot) Note: the small pot should have a spout.  
Bamboo skewer or small spoon (for stirring)  
Pot Holder  
Old towel

Set water to boil in the bottom part of the double boiler (or the larger pot).

We will be using the "sphere" section of the double mold. Lightly oil each half of the sphere with baby oil. Fit the two halves of the mold together tightly. Note that when fitted together, this mold has a notched section (a hole) where you'll be pouring in the soap. Place the mold on the towel with the pour hole facing up.

Place the soap in the top part of the double boiler (or in the small pot). Allow to melt completely (stir gently with bamboo skewer or spoon for faster melting). When the soap is melted, remove the container from the double boiler and place on pot holder. Add 1 tsp. Gold Glitter. Stir gently (to avoid creating bubbles). Add 10-15 drops of fragrance oil. Stir. Very carefully, pour the soap into the pour hole of the mold. Set container aside and press the mold together to make sure the fit is snug.

Wait several hours to make sure soap has cooled completely. Open mold carefully. Makes one beautiful, round, sparkling soap.

South Bay/Peninsula – There is a circle forming for women and men who are in college. The purpose of the circle will be to celebrate Sabbats and possibly full and new moons, to learn from each other, and to meet new Pagan friends. The circle will not be based on any one tradition; members will contribute their own ideas and participate in creating rituals. We will most likely take turns hosting our meetings. If you are a student and have been on a Pagan path for at least a year, and are interested in joining the circle or have questions about it, please contact 650-968-3843 or [oceanpine9@yahoo.com](mailto:oceanpine9@yahoo.com) and share a little bit about yourself.
